

E-Shule Modifications

We have implemented a couple of changes as per our discussion below is some screenshots of the areas changed:

✓ FrontPage:

We have replaced with a full width slider, removed the unwanted bottom section.

A dependent lookup with sub county filter has been set as below:

Additional system privileges for the AEO, SCEO, CDE, CS / PS, an additional module has been added for users with special privileges.

The additional privileges is directly linked to the staff where there is a section to select the type of special privilege

The teachers section has been improved according to the suggestions, job number, qualification etc as below:

The screenshot shows the 'Teachers' section of a web application. A sidebar on the left contains navigation links: Dashboard, Schools, Students, Teachers & Classes (highlighted), Geo - Location, Examinations, Ems Reports, Settings, and Import Excel Records. The main content area is titled 'Teachers' and includes a 'Primary School' dropdown and a 'Select Institution' button. A 'Create new entry' popup form is displayed, containing the following fields:

- Surname: Nyambura
- First Name: Winnie
- Second Name: Faith
- Address: 84, Kikuyu
- Active: Active (dropdown)
- Type: Teacher (dropdown)
- Telephone: 073424234
- Mobile: 0453453535
- Email: faith@yahoo.com
- National Id: 3445657
- Date of Birth: 1970-01-15
- Town: Kikuyu
- Country: Kenya (dropdown)
- Gender: Female (dropdown)
- Job Number / Employee No.: 900000345
- Qualification: Teacher

A 'Create' button is located at the bottom right of the popup form.

The staff section has included a popup where you can reset a user password or issue password to the staff.

The screenshot shows the 'Staff' section of the web application. The sidebar is identical to the Teachers section. The main content area is titled 'Staff' and includes a table with columns: Surname, First, Second, Telephone, and Town. The table contains one entry: Job, W, Mwaura, 072343543536, Kikuyu. A 'Set Username/Password' button is located above the table. A 'Set Username / Password' popup form is displayed, containing the following fields:

- Username: User Name
- Password: Password

A 'Save' button is located at the bottom of the popup form.

An additional module has been created, this where you map a certain user to the institution he/she can access, to assign a user to an institution, select the user and click the red button which will indicate where the user is mapped.

More modules have been added for the special users (AEO, SCEO, CDE, and CS/PS)

The reports are as shown below:

The report below will generate the schools for the special user who is able to see schools in the zone, note the number of the male and the female users.
